Safe Shopping Tips

Amazon.co.uk works hard to protect our customers. For your safety, when ordering items advertised by sellers other than Amazon.co.uk:

* Always place your orders directly through the Amazon.co.uk shopping cart using Amazon Payments. Never send money directly to sellers through wire transfers or checks; we do not guarantee such transactions.

* Beware of e-mails that request direct payments, request payment to international locations, or ask for personal information. Amazon.co.uk will never e-mail you to pay for Marketplace transactions outside our shopping cart, or ask you to confirm personal information such as a credit card number or password via e-mail. If a particular e-mail looks suspicious or unusual, please contact us directly.

Reporting suspicious activity to reports@amazon.co.uk will help us enhance marketplace safety and serve you better in the future.

For more safe-shopping tips, read about Safe Online Transactions at:
